Concert Notice:

BLUEGRASS ON THE FARM

What: A concert: **BLUEGRASS ON THE FARM**. The Jezic Ensemble with Cathy Fink and Marcy Marxer present an open air stage performance. Enjoy the farm zoo, ice cream, basket raffle, pit beef, and more. Bring a blanket and friends for a Sunday spring afternoon of bright, sunny music.

Who: **Cathy Fink and Marcy Marxer** (www.cathymarcy.com) have been making music together since 1984, with over 10,000 performances between them. They are consummate musicians on guitar, five-string banjo, mandolin, hammered dulcimer, steel drums, and other old-time instruments. Their superb harmony singing punctuates an expansive repertoire.

“As good as the harmony singing is, the instrumental picking is even better.”
– *The Washington Post*
